JUSTICE AWARENESS

One Billion Rising: V-Day's campaign to end violence against women (14/2)
Still today the UN states that 1 in 3 women on the planet will be beaten or raped during her lifetime which is more than one billion women and girls alive today. V-Day wants the world to see exactly what one billion looks like.
ONE BILLION RISING is a promise that on February 14th 2018, we will ensure that millions of women and men rise up around the world to say "ENOUGH. The violence ends NOW". Sophia is pleased to support this network and urges others to sign up too. More info can be found online at www.onebillionrising.org

United Nations Orange Day 25th of every month 25th
The UN's Campaign UNiTE to End Violence against Women has proclaimed the 25th of each month as "Orange Day", a day to raise awareness and take action against violence against women and girls. As a bright optimistic colour, wearing orange represents a future free from violence and calls upon people to highlight these issues not only once a year on the International Day for the Elimination of Violence against Women on 25th November, but every month.

REGULAR EVENTS

About Sophia

In 1991 Holy Cross Congregation of Dominican Sisters SA established Sophia in a spirit of openness to wisdom wherever it is found. Today women and men from a wide range of backgrounds participate in the life of Sophia and celebrate diversity. Sophia could not exist without the thousands of hours contributed by volunteers who work to maintain the life of Sophia through managing the office, facilitating courses and groups, maintaining the Sophia website and publishing four annual newsletters.

We acknowledge that Sophia is on Kaurana land to which we have been welcomed by Auntie Cherie Watkins.

- **ecumenical** - we embrace all liberating spiritual traditions.
- **feminist** - we work toward a society where all persons have opportunities for full development and where women and men live and work in equal partnership and in harmonious relations with the earth.
- **feminist spiritualities** - we honour right relations with self, others, the rest of nature and 'ultimate/intimate reality'.

FUNDING

The beautiful Sophia space is managed and staffed by volunteers, together with a part-time administrative assistant. Sophia receives an annual subsidy from the Dominican Sisters and small donations from appreciative participants and organisations. With no government support, Sophia has to rely on fundraising efforts.

So wherever possible, if you can contribute to the ongoing livelihood of Sophia, this will always be appreciated.
